Python Declarations

I annihilate the stronghold of the spirit of python over my life. Get out in Jesus' name.

I break agreement with the spirit of python and establish that I will no longer partner with passivity and behavioral patterns caused by the spirit of python.

I release the spirit of God, the Ruach Ha'Kodesh, fresh breath, and the wind of God into my lungs. I destroy any effects that the spirit of python has had on my breathing and my lungs. I call forth clean and healthy lungs. I declare that my lungs inhale and exhale air normally without restriction.

I demand by the blood of Jesus the python spirit to unwrap itself from my mind. My head is anointed with the overflowing oil of Holy Spirit and all unclean spirits slip right off and do not gain entrance into my soul. I declare I will not be distracted in my secret place because my heart and mind are focused on Jesus.

I lose by the mighty name of Jesus the squeezing of the python spirit around my heart. Life-giving blood flows freely from my heart to every organ in my body, to every neuron in my brain and each cell receives that blood and becomes nourished and healthy functioning in the perfection it was created to work. I annihilate heart attacks, strokes and infirmities by the blood of Yeshua Messiah.

I disengage and evict the python spirit around my vocal cords, voice box and trachea by the blood of the Lamb. I declare I will bless the Lord at all times and His praise will continually be in my mouth. The boldness of a lion is mine and I shall speak of the goodness of God to others because in Christ I am the head and not the tail. I am above and not beneath by the authority of Jesus.

Lungs I say be open and filled with the Ruach Ha'Kodesh, the breath and wind of Holy Spirit. My breathing will not be labored but will provide adequately the air needed to walk in the Lord's plan and purpose for me. Every spirit of fear, control and witchcraft be annihilated and cast out in Jesus' name.

All interruption to my sleep by the python spirit with sleep apnea, choking or difficulty swallowing is completely obliterated and destroyed by the mighty name of Jesus. I decree and declare my sleep will be sweet because I trust in the Lord who gives me peace. There will be no mental or physical fatigue because greater is He that is in me than he that is in the world. Jesus has given me all authority over the power of the enemy, including the python spirit and I render you null and void in my life.

I establish productivity in my life. Any python attached to stagnancy, complacency and procrastination is eliminated and evicted from my life in the name of Jesus. I break agreement with them by the power of Holy Spirit. I will work out my deliverance because with Christ I can do all things. I am determined to get up and walk in my destiny because who the Lord sets free is indeed free.

I will speak out. I will not be silent. I demolish any power the spirit of python has had over my ability to speak the Word of God. I bind the spirit of python from activating on my vocal cords, voice, and mind.

I call forth spiritual order in my life. I break agreement with passivity. Spirit of python, I send confusion into your camp as I step into the spiritual disciplines God has for me. I break the chains you have had on my life, holding me back from all He has for me. I cast them into the lake of fire to burn up any control or restriction on my life. I will operate in the freedom that God has provided me and no longer sit on the edge of the blessings of God.

I decree and declare that I have and use the energy that the Holy Spirit provides me. I dissolve any effects from the spirit of python on my energy levels. I have a strong, clear mind. It does not become fatigued. God renews my strength every day. I allow the Holy Spirit to speak into my life and to motivate me. I have hope in the Lord, and he renews my strength. I soar on wings like eagles, I run and do not grow weary, I walk and do not faint.

I rebuke you spirit of python. I remove you from around my neck. I refuse to allow you to continue to constrict my neck in any way. I eradicate any pain that you have caused to my neck in the past, and I establish a strong, healthy neck that is without restriction. Spirit of python come up and out of my spine. I destroy all effects that you have had on my past and I establish my new life without your effects right now in the name of Jesus!

Because I believe in Jesus, I drive out demons, and I pick up snakes with my bare hands. On the authority of Jesus Christ, I trample every snake-like spirit and overcome every power of the enemy! (Mark 16:18; Luke 10:19).

Python, you might strike my heel, but I crush your head, and no harm will come to me! (Genesis 3:15; Luke 10:19).

I breathe the breath of life and I am who the Lord created me to be—a living creature! (Genesis 2:7). As such, I will praise the Lord! (Psalm 150:6)

I prophesy to the dry bones of my life, those things which python has attempted to steal: The Lord has caused his breath to enter me, and I shall live! (Ezekiel 37:5)

No unclean spirit can stifle the breath of the Lord that he has placed in me, which gives me understanding and life. (Job 32:8; 33:4)

I am a vigilant wisdom and knowledge seeker, so I will find the knowledge and understanding of God, and by that knowledge I will be delivered! (Proverbs 2:2–5; 11:9)

I bind love and faithfulness around my neck and write them on the tablet of my heart. Python, you cannot choke me, because I will not let love and faithfulness ever leave me! (Proverbs 3:3)

I break every bondage that comes from false prophecy and divination (Jeremiah 14:14) and break every agreement with every lie and false word that I have ever received. The Holy Spirit is my teacher, and he will teach me all things—I do not need any of your soothsaying! (John 14:26). Only the Holy Spirit teaches me the deep things of God! (1 Corinthians 2:10)

I renounce, denounce, divorce, and sever every ungodly soul tie with familiar spirits of divination, soothsaying, false prophecy, witchcraft, and necromancy. I annihilate and expunge any demonic residue from witchcraft that has sought me through my own curiosity, disobedience, interest in the occult, and idolatry of false prophets and teachers.

I desecrate any demonic altar with my name on it dedicated to familiar spirits of infirmity, heaviness, and habit in the mighty name of Jesus. I am protected by Jehovah Gibbor, and he goes to battle on my behalf! (Isaiah 42:13)

I decree and declare that as in Acts 19, those who practice sorcery will believe in the mighty name of Jesus, confess their evil deeds, and burn all remnants of their dead lives publicly, that all others may see and believe! (Acts 19:19–20)

I decree and declare that as in Numbers 23, that God is not a man that he should lie, and he will not change his command to bless me. Therefore, just as with Israel and Jacob, there is no divination against me, and it will be said, "See what God has done!" (Numbers 23:19–23)

By the authority of Jesus, I uncoil the python spirit over my finances and the poverty mentality that I have allowed to control my thinking. I declare Jehovah Jireh is my provider that gives me increase by what I sow into the Kingdom. I say I will be a cheerful, generous giver.

I decree and declare by the power of the resurrected Jesus within me that moving forward and now, the spirit of Python and/or any other spirits associated with it will not suffocate my voice. It will not overthrow or derail the ministries God has given me. Moving forward and now, the spirit of Python and/or any spirits associated with it will not hold me back or divert me from the things I am gifted, called, and/or chosen to do. There shall be no more spiritual, business, or physical derailments.

I command the spirit of python to uncoil from my life. You will not interrupt God's plan for my destiny.

I order and direct all python spirits monitoring me to be bound and restricted in the name of Jesus!

I nullify and paralyze the spirit of python. You will not constrict and squeeze the life out of my spiritual walk or physical healing in the name of Jesus!

I desecrate every demonic order sent to attack my prophetic voice. The word of God will go forth from my mouth with power and authority to release His will upon the earth.

I evict from my life and promptly expel every Jezebel, familiar, witchcraft and python spirit operating against and through my life in Jesus' name. I command you to stop and cease your demonic activities against me.

I command my vocal cords and prophetic voice to be strong and authoritative. The enemy will not choke, suffocate or release an assignment against my vocal cords, voice box, esophagus or larynx, in Jesus' name.

I expel, force out, and command all witchcraft assigned against me and in cooperation with a python spirit to desist of your assignment, in Jesus' name.

I eradicate every evil power in operation over my destiny, preventing forward movement into my destiny and success.

I remove stagnancy from my life and declare that I am not spiritually dry and emotionally paralyzed.

I confine and restrain every demonic operation, sending the same familiar operations through a python spirit in my life. My life, family's, children's and grandchildren's destiny will go forth and we will be in perfect complete health.

I bind and restrict a spirit of death from attacking my body and health. I decree and declare that I shall live and not die, and I declare the word of the Lord over my life, finances, ministry, and business!

I order every demonic python spirit sending assignments of spiritual dryness and lack to leave now. You have been served eviction notice papers. Get out and away from me in the name of Jesus.
