Healed at Last Declarations

I rebuke and break agreement with generational allergies in Jesus's name. I evict a spirit of fear from attacking me internally.

I speak to ligaments, arteries, and joints and command them to form and grow in my body.

I declare my joints, fingers, and knees are free of inflammation, swelling, stiffness, and pain.

I declare my brain does not degenerate and destroy nerve cells. My mental function is abundant.

I bind and restrict abnormal cells from dividing uncontrollably.

I mandate cancer cells to die in Jesus's name.

I decree rogue immune cells will not attack my gastrointestinal system.

I require my cells to open up and receive insulin.

I bind and restrict deafness in my ears. I command every deaf and dumb spirit to leave me in Jesus's name.

I call forth bacteria in my mouth to stop dental issues.

I require light sensitive eye cells to not break down and obstruct my vision.

I take authority over my central nervous system and order it to be normal and balanced.

I decree my body will not attack villi in the small intestines.

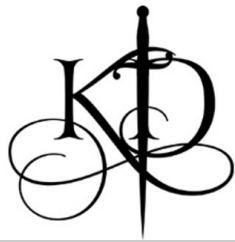

I direct my hair follicles to open and produce new hair growth.

I command my brain activity to be normal and not trigger migraines.

I will not suffer stroke symptoms, and my memory will be full of clarity.

I proclaim there will be no deprivation of oxygen and nutrients to my brain.

I speak to my lipoprotein metabolism and command it to be normal in Jesus's name.
