I align my vision with God’s original design. The eye is the lamp of the body, and I decree that my eyes are healthy, filled with light, and flooded with the revelation and illumination of Jesus Christ. Darkness has no authority over my sight, physical or spiritual. By the finished work of the cross, I receive new vision, renewed eyesight, and restored clarity.

I declare that Jesus Christ, the Light of the world, shines into every part of my eyes. Cornea, lens, retina, macula, optic nerve, and visual cortex receive the light of God now. Every shadow, dimness, and obstruction is removed. My whole body is filled with light because my eyes are filled with light.

I declare that just as Jesus touched blind eyes and commanded sight to return, the same miracle-working power is released into my eyes now. Every satanic assignment to cause blindness, degeneration, or loss of vision is overturned and transformed for God’s glory. I walk as one who sees clearly, both naturally and spiritually, and my healing testifies to the power of Jesus Christ.

I declare that my faith speaks louder than every diagnosis. Just as blind eyes were opened instantly by Jesus, I declare restoration of sight. Eyes that were blind now see. Vision that was lost is restored. I throw off every limitation, every label, and every condition that tried to keep my sight bound.

I decree that my eyes are called out of darkness into light. Every form of spiritual and physical blindness breaks now. I stand in the authority of the blood of Jesus and declare that cataracts, clouded vision, and spiritual veils are removed. I receive freedom from every form of infirmity

affecting my vision, and I am turned from darkness to light and from the power of Satan to the power of God.

I declare that the eyes of my heart are enlightened. I see with clarity, discernment, and revelation. I see the hope of my calling. I see the richness of my inheritance in Christ. I see truth, purpose, and destiny clearly. Confusion leaves, and divine understanding fills my sight.

I declare that the Lord opens blind eyes now. Eyes that were dim are no longer dim. Eyes that were failing are strengthened. My eyes see eye to eye with the Word of God. I lift up my eyes and see what the Lord has prepared for me.

I declare healing over the physical structures of my eyes. Cornea, be healed and restored. Retina, function perfectly and transmit accurate signals. Macula, I command you to function properly and stop all degeneration. Central vision is preserved and restored. Peripheral vision aligns correctly. Light-sensitive cells do not break down but regenerate and function as designed.

I take authority over glaucoma. I command pressure to normalize. Optic nerve damage stops now. Blood flow is restored. Nerve fibers regenerate. Vision loss is reversed. Blindness has no authority over my eyes.

I speak to cataracts and cloudiness and command them to dissolve and clear. Lenses become transparent. Light passes through unobstructed. Vision sharpens and clears.

I declare healing over the optic nerve. Every form of nerve damage is healed. Electrical signals transmit accurately from the eyes to the brain. The brain correctly interprets every signal and converts it into clear visual images.

I forbid macular degeneration. I command the macula to remain healthy and strong. No bleeding behind the retina. No abnormal blood vessels. No deterioration of central vision. I see clearly and sharply.

I take authority over eye floaters, debris, shadows, spots, and distortions. They dissolve and disappear. Vision is unobstructed and clean.

I declare my eyes return to proper shape and alignment. I bind and restrict astigmatism. Vision normalizes. Focus is restored.

I command healthy blood and fluid flow through every layer of the eyes. No blockages. No swelling. No pressure. No inflammation.

I forbid unhealthy deposits beneath the retina. I restrict damage to the optic nerve. I declare preservation, healing, and restoration.

I proclaim my vision to be sharp, accurate, and clear. My eyes do not grow dim or dark. Blindness is bound and forbidden from operating in my body.

I declare that the Lord anoints my eyes with eye salve so that I see clearly. My eyes sparkle again. My vision is alive, alert, and strong.

I declare that I see the King in His beauty. I see truth. I see clearly. I see fully. I see as God intended.

I declare that the Lord has opened my eyes. My sight is restored. My vision is healed. My testimony glorifies Jesus Christ.

By the authority of the Word of God and the power of the blood of Jesus Christ, I receive healing in my eyes now.
