EARS AND TINNITUS

AUTHORITATIVE DECLARATIONS FOR HEALING OF THE EARS

In the mighty name of Jesus Christ—

I **command all ringing, clicking, pulsing, humming, roaring, buzzing, and rushing sounds** in my ears to **cease and stop now**. You are unauthorized. You are illegal. You will not remain.

I **take full authority over my ears** according to Luke 10:19. I declare that my ears are under the lordship of Jesus Christ and not subject to disorder, irritation, torment, or distraction.

I decree **there will be no abnormal sounds, movements, pressure, or sensations** in my ears. My ears function in divine order, peace, and clarity.

I **bind, rebuke, and restrict deafness** in all forms. I command **every deaf and dumb spirit** attacking my hearing to **come out and leave now**, in Jesus' name.

I decree and declare **there are no missing, damaged, broken, or malfunctioning hair cells or nerve cells** in my inner ear. I speak life to every hair cell, nerve ending, and auditory receptor. You will function as God designed you to function.

I **speak to the inner ear** and command full restoration. I decree that **the hair-like nerves align, fire correctly, and transmit sound accurately** without distortion or delay.

I **pronounce healing to the middle ear**. Any damage, trauma, inflammation, infection, pressure imbalance, or structural disorder—be healed now, in Jesus' name.

I **command all hearing loss to be reversed and restored**. Ears, receive a **creative miracle now**. What was lost is restored. What was damaged is recreated. **Deaf ears—open and hear!**

I **speak to the eardrum**. Any tear, rupture, hole, thinning, or scarring—be healed now. I command a **creative miracle for a new, whole, healthy eardrum**, in Jesus' name.

I declare **ear wax blockages, excess fluid, pressure, and buildup** to dry up, drain properly, and disappear. My ears are clear, open, and unobstructed.

I **restrain and forbid** all ringing, clicking, pulsing, humming, rushing, and noise in my ears. I command you to stop immediately. I take full authority over you and command you to go—now—in the name of Jesus.

I **address tinnitus directly** and command it to cease and no longer exist. You will not return. You will not cycle. You will not torment. By the stripes of Jesus Christ, **I am healed**, and I hear clearly without distraction.

I **proclaim balance and stability in my inner ear**. Vertigo, dizziness, imbalance, and disorientation—leave now. My equilibrium is restored and aligned.

I speak to **every nerve, muscle, and blood vessel** connected to my ears. I decree **proper blood flow, oxygenation, and neurological communication**. Everything functions in divine harmony.

I **expel and evict the spirit of deaf and dumb**, the spirit of infirmity, and every spirit attacking my hearing, my nerves, or my brain pathways. You have no legal right—leave now, in Jesus' name.

I declare my ears are **healed, restored, sharpened, and aligned with heaven**. I hear clearly. I hear accurately. I hear without strain, noise, or interference.

I seal this healing by the blood of Jesus Christ and declare **lasting, permanent restoration**—now and forever. Amen.

I take authority over every affliction attacking the ears and hearing and command it to submit to the name of Jesus Christ. I declare that ears were created to hear clearly, accurately, and without distortion, and I call them back into divine order now.

I command tinnitus in all its forms to stop immediately. Ringing, buzzing, humming, hissing, roaring, pulsating, whooshing, metallic sounds, ticking, frequencies, vibrations, phantom noises, and internal echoes be silenced now. I declare supernatural peace, quiet, and rest in the ears.

I speak healing to sudden hearing loss, progressive hearing loss, partial loss, total loss, muffled hearing, distorted hearing, and hearing that fades in and out. I declare restoration whether the loss came through trauma, infection, inflammation, age, noise exposure, medication, illness, meningitis, shingles, Bell's palsy, nerve injury, autoimmune response, or an unknown diagnosis.

I command healing to the auditory nerves. Every damaged, inflamed, compressed, severed, or misfiring nerve regenerate now. Nerve deafness reverses. Neural pathways reconnect. The brain receives and interprets sound correctly again.

I speak healing to the vestibular system. Vertigo, dizziness, spinning, imbalance, lightheadedness, disorientation, equilibrium loss, vestibular neuritis, vestibular hypofunction, vestibular nerve damage, and balance disorders be healed now. I declare steady footing, clear orientation, and confident movement.

I command oscillopsia to end now. Vision stabilizes. The eyes, brain, and inner ear realign. No more bouncing, blurring, or visual disturbance tied to ear dysfunction.

I speak to the inner ear, middle ear, and outer ear and command them to function in perfect harmony. I declare healing to the cochlea, semicircular canals, vestibule, ossicles, and auditory pathways.

I command fluid to drain and never return. Middle ear fluid, trapped air, fullness, clogging, pressure, popping, crackling, congestion, and blockage clear completely. Eustachian tubes open, regulate pressure, and function normally.

I speak healing to eardrums. Holes close. Tears repair. Scar tissue dissolves. Weak membranes strengthen. Eardrums vibrate properly and transmit sound clearly again.

I command ear pain to leave now. Inner ear pain, outer ear pain, pain behind the ear, pain under the ear, lymph pain, inflammation, soreness, burning, itching, throbbing, pressure pain, and unexplained pain cease.

I declare healing from chronic and recurring infections. Ear infections, inner ear infections, outer ear infections, inflammation, swelling, sinus infections connected to ear dysfunction, and immune-related ear issues are healed.

I speak freedom from conditions labeled incurable or permanent. Meniere's disease, positional vertigo, superior canal dehiscence, TMJ-related ear dysfunction, psoriasis affecting the ears, hardened earwax obstruction, pressure disorders, and noise-induced damage bow to the authority of Jesus.

I declare restoration where hearing aids, cochlear implants, tubes, or medical devices have been required. I speak supernatural improvement beyond dependency on devices and restoration of natural hearing.

I command trauma stored in the ears, brain, or nervous system to release. Shock, injury, sudden onset events, and long-standing unresolved trauma let go now.

I rebuke every spirit of infirmity, affliction, torment, weariness, frustration, fear, discouragement, and hopelessness attached to hearing loss. I declare peace in the mind, confidence in the body, and hope restored.

I speak healing over children and adults alike. Sudden deafness, lifelong hearing impairment, congenital issues, childhood infections, and age-related decline are reversed by the power of God.

I declare that ears hear clearly, distinctly, and without strain. Words are no longer scrambled. Voices are recognizable. Directional hearing is restored. Balance is steady. Life is no longer dictated by ear dysfunction.

I proclaim complete healing, restoration, and wholeness. Ears function as God designed. Hearing is restored. Balance is restored. Peace reigns.

By the authority of Jesus Christ and by His stripes, healing is received now.

I declare healing over every ear, nerve, canal, drum, and hearing mechanism right now in Jesus' name. I speak restoration to hearing that has been lost suddenly, gradually, through trauma, infection, age, noise exposure, medication, illness, meningitis, shingles, Bell's palsy, or unknown causes. I declare ears hear clearly, sharply, and accurately again.

I command tinnitus to stop now. Ringing, buzzing, humming, hissing, whooshing, pulsating, metallic sounds, high-pitched frequencies, ticking noises, and phantom sounds cease immediately. I declare supernatural silence and peace in the ears.

I speak healing to vertigo, dizziness, spinning sensations, imbalance, disorientation, and equilibrium issues. I command vestibular systems to reset and function perfectly. Vestibular neuritis, vestibular hypofunction, vestibular balance disorders, and vestibular nerve damage are healed and restored.

I declare oscillopsia ends now. Vision stabilizes. The brain and inner ear communicate correctly. No more bouncing, blurring, or visual disturbance connected to ear dysfunction.

I command fluid to drain completely from the ears. Middle ear fluid, trapped air, fullness, pressure, clogging, popping, crackling, and congestion clear now. Eustachian tubes open, regulate pressure, and function normally.

I speak healing to eardrums. Holes close. Tears repair. Scar tissue dissolves. Eardrums strengthen and vibrate properly again. Inner, middle, and outer ear structures are restored.

I declare healing to nerve damage in the ears. Auditory nerves regenerate. Nerve deafness reverses. Sensory and neural pathways reconnect and function as God designed. Words are no longer scrambled. Clarity returns.

I command ear pain to leave now. Inner ear pain, outer ear pain, pain behind the ear, pain near the earlobe, lymph-related pain, inflammation, soreness, itching, burning, pressure pain, and unexplained pain cease.

I declare healing from infections. Chronic ear infections, recurring infections, inner and outer ear infections, inflammation, and swelling are gone. Immune systems respond properly. Sinus infections connected to ear issues are healed.

I speak restoration where hearing aids, cochlear implants, tubes, or medical devices have been required. I declare supernatural improvement and restored natural hearing beyond dependency on devices.

I command Meniere's disease, positional vertigo, superior canal dehiscence, TMJ-related ear issues, psoriasis affecting the ears, hard earwax buildup, and pressure-related disorders to bow to the name of Jesus.

I declare healing to children and adults alike. Sudden deafness, partial loss, muffled hearing, low-frequency loss, high-frequency loss, unilateral and bilateral hearing loss are reversed.

I speak healing to sinuses, drainage, coughing tied to ear issues, throat irritation, and pressure affecting hearing. Airways clear and align with perfect function.

I declare healing to the brain where ear trauma, neurological injury, inflammation, or nerve disruption has occurred. The brain recalibrates and restores correct auditory processing.

I command fear, frustration, discouragement, distress, torment, and weariness caused by hearing conditions to leave. Peace fills the mind. Hope is restored.

I declare balance returns. Stability returns. Confidence returns. Daily life is no longer dictated by ear dysfunction.

I proclaim that ears are healed, hearing is restored, balance is steady, and peace reigns according to the authority of Jesus Christ. By His stripes, healing is received now. Amen.
